### **FEEDBACK PROCESS OF THE INSTITUTION:**

Feedback is vital for the growth and development of the institution. Positive feedback gives us strength and energy to work towards the achievement of our goal while negative feedback exposes small deficiencies and helps in improving the quality. Indira college of Nursing believes that feedback is an integral part for quality improvement.

#### • **Feedback Process of the Institution:**

The college regularly collects feedback on curriculum as well as on infrastructure from various stake holders like students, faculties, alumni, professionals and employer. The IQAC members prepares standard feedback format with 5 – point Likert scale (satisfaction score) after discussing with concern expert.

#### • **Feedback Collection:**

Feedback on curriculum is collected by providing a standard questionnaire and requested for their response in a given format. It is also collected through suggestion box. Suggestion Boxes are placed near Principal office. Boxes are opened every weekly and feedback is collected and analyzed.

#### • **Feedback Analysis:**

After collection of the feedback, it is assessed by IQAC/ Academic council. The matters are discussed in the IQAC and academic council meetings. Most the curriculum related decisions are made at the Academic council meetings but some decisions where approval from higher authority is forwarded to the College Council Committee that comprises Principal, Management nominee and all Heads of the Departments.

#### • **Action Taken:**

After analysis, feedback / suggestions are discussed thoroughly with all the members as well as faculties and then the action is initiated from the respective body. The same is informed through circular.
