3. Defining and approving Vision and Mission statement of ICON

The Vision and Mission statement of ICON was deliberated upon. After a long and detailed discussion, a draft statement was presented by and refined based on the input from the other members. The final version given below was unanimously approved, reflecting the institution's commitment to excellence in education and healthcare.

VISION

The college is committed to generating collaborative and consultative relationship with professional colleagues and other engaged in healthcare activities to enhance the health of individuals, families and community. Result-oriented based health care education insists for its principals of lifelong learning, professionalism of highest standard, academic and clinical excellence, social responsibility and commitment.

MISSION

To nurture competent, compassionate health care professionals distinguished by ethical practice, clinical reasoning, safe patient care and commitment to social justice.

4. Resource mobilization policy.

Resource mobilization policy was formulated and it was circulated with agenda and it was subjected to discussion. After a long discussion it was approved.

5. Procurement of Instruments and Equipment.

The necessity to procure basic instruments and equipment for the clinical departments was emphasized. Thiru V. G. Raajendran, Chairman, Indira group of educational institutions insisted the staff members to identify the specific requirements, along with potential suppliers and cost estimates.

6. Construction of additional space and building for clinical departments.

The inadequate space for clinical departments was acknowledged, and the exploration of options for construction of additional space, 20% more than the DCI requirement was highlighted. Chairman agreed to conduct a feasibility study to determine the best approach for expanding the clinical areas.
