Report

The student volunteers were involved in the following activities such as: Awareness talk on COVID-19 and vaccination Covid-19 screening and PCR test collection Recording the information of the beneficiaries Administration of vaccines Providing medicines for vaccine side effects as per the physician order.

The details of beneficiary include the Adhar Card number and mobile number. After vaccination the message will be sent to their respective mobile numbers. Vaccines were stored, controlled and count of usage was maintained by the Village Health Nurses and PHC staffs and they were assisted by the student nurses of Indira College of Nursing. The campaign was concluded at 7pm. Around 170 people were vaccinated in each booth. The students nurses gained a golden experience by participating and contributing towards the mass Covid-19 vaccination campaign to end the Pandemic and prevent the disease spread. We thank the Management and the Tamilnadu Nurses and Midwives Council for giving this opportunity to the students to participate in this programme.
