**3.1.1 Percentage of fulltime teachers recognized as
PG/PhD research Guides by the respective University**

The Tamil Nadu Dr. M.G.R. Medical University, Chennai
GUIDELINES ON DISSERTATIONS FOR ALL PG COURSES

Post Graduate Medical Courses

The committee recommended to follow the guidelines stipulated by the Medical Council of India to approve the dissertations submitted by the post-graduate Medical students.

This will come into effect from **April 2014 Examination** onwards.

Doctor of Medicine (M.D.)/Master of Surgery (M.S.)

Thesis/Dissertation

Every candidate shall carry out work on an assigned research project under the guidance of a recognised Post Graduate Teacher, the result of which shall be written up and submitted in the form of a Thesis.

Work for writing the Thesis is aimed at contributing to the development of a spirit of enquiry, besides exposing the candidate to the techniques of research, critical analysis, acquaintance with the latest advances in medical science and the manner of identifying and consulting available literature. Thesis shall be submitted at least six months before the theoretical and clinical / practical examination.

The thesis shall be examined by a minimum of three examiners; one internal and two external examiners, who shall not be the examiners for Theory and Clinical; and on the acceptance of the thesis by two examiners, the candidate shall appear for the final examination.

MDS Degree Course

The committee recommended to follow the guidelines stipulated by the Dental Council of India to approve the dissertations submitted by the post-graduate Dental students. This will come into effect from April 2014 Examination onwards.

DISSERTATION:

Every candidate appearing for the MDS degree examination for the first time shall submit with his application for the admission to the Examination, four typewritten copies of a dissertation of a research topic undertaken by the candidate and prepared under the direction and guidance and to the satisfaction of his University teacher. The dissertation should be submitted 3 months prior to the MDS Examination. The dissertation shall be referred to the Examiners for the MDS examination and acceptance of it by the examiners shall be a precondition to the admission of the candidate to the written part of the examination.

A candidate whose dissertation has been accepted by the examiners, but who is declared to have failed at the examination will be permitted to reappear at the subsequent MDS examination without having to prepare a new dissertation, if, however, the dissertation is rejected, the authorities shall give reasons thereof and suggestion for the improvement of the same and the dissertation thus improved will have to be resubmitted to the examiners and accepted before appearing in MDS Examination.

M.Sc. (Nursing)

The committee recommended to follow the guidelines of Indian Nursing Council to approve the dissertations submitted by the post-graduate Nursing students (M.Sc. Nursing).

Further, the committee recommended to include the following also.

- If a candidate fails in Dissertation, the results need not be withheld to enable the student to resubmit the dissertation.
- If a candidate fails in the Dissertation, he / she should resubmit the dissertation three months before for the next exam.

This will come into effect from April 2014 Examination onwards.

Dissertation

Evaluation of the dissertation should be done by the examiner prior to viva
Duration: Viva-voce -minimum 30 minutes per student

Guidelines for Dissertation

Tentative Schedule for dissertation

S. No.	Activities	Scheduled Time
1	Submission of the research Proposal	End of 9 th month of 1 st year
2	Submission of dissertation – Final	End of 9 th month of II nd Year

Note: - Administrative approval and ethical clearance should be obtained
