Greetings from Udhavum Nanbargal

I, Director of Udhavum Nanbargal, Chennai is writing to propose a collaborative initiative aimed at conducting **“Effectiveness of Video Assisted Teaching Regarding side effects of drugs and alcohol among Deaddiction Patients.”**. I believe that the project has the potential to create significant impact on alcoholic patients.

To address this issue, we are seeking to partner with your institution, known for its commitment in health care education and research. I believe that your expertise and resources would greatly enhance our efforts in the project in Thiruvallur district. Additionally, we are happy to fully fund this project of Rupees Fifty thousand only (Rs 50,000-), covering all the expenses related to the survey, awareness and any other associated costs. We would be happy to hear from you at the earliest regarding this collaboration.

Thanking you

Yours Faithfully
